STANDING ORDERS

**Adopted at the meeting held on Monday 2nd June 2008
6.30pm at Broom House, Robinswood**

Estate Improvements

1. We will carry out small estate improvements without wider community consultation.
2. We will always consult with the community on large improvements and improvements that need more money than is available in one financial year.
3. All improvements carried out in any part of the estate that would benefit other parts of the estate will be included in the estate plan. Work will then take place to progress the improvements across the estate the following year.
