## Who We Are

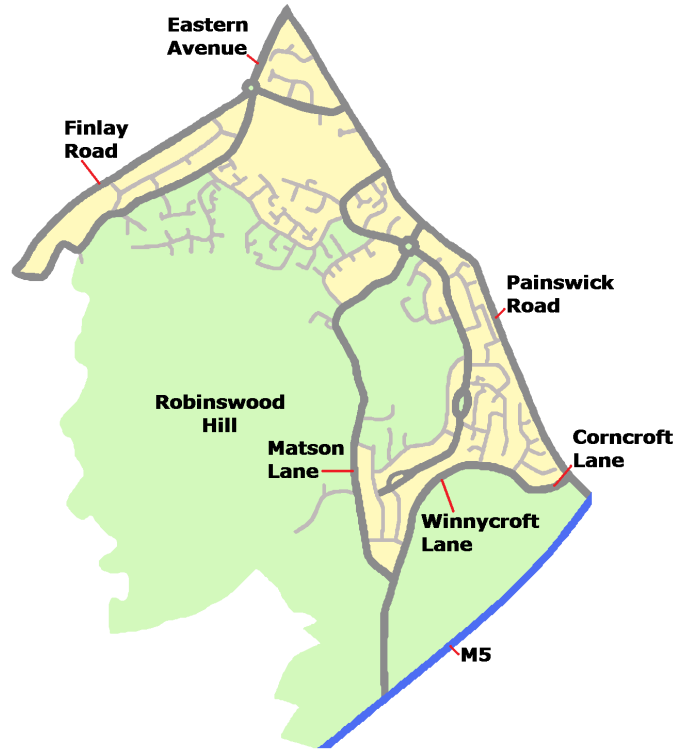

We are an independent group of local residents who work with others to try and make our community a better place to live in. Only residents take the decisions on behalf of Matson & Robinswood – we decide our own future.

We are currently working on a long term plan for the area. We bid for funding for local projects and help to decide how money is spent on local facilities and environmental improvements.

We have regular features in housing and local newsletters, and also contribute to the community pages of *The Citizen*. If you have anything you would like included please let us know.

## Monthly Meetings

Have your say and help to take decisions about making Matson & Robinswood a better place to live in. You are welcome to join us if you live in the area covered by the map above. You can help out as much or as little as you like.

We usually meet on the first Monday of the month, starting at 6.00pm. Meetings last about an hour and a half. For details of the next meeting, please call us or visit the website.

We'd like to keep you up to date with what's happening. If you would like to join the mailing list, please let us have your details (including your email address). *Thank you.*
